MANAGEMENT SOLUTIONS ACQUIRES TWO NEW CLIENTS

GREENVILLE, SC – July 24, 2013 – Management Solutions recently expanded its client portfolio with the addition of two new clients. Mermet USA and N&H Enterprises have selected Management Solutions to provide employee profiling and assessment tools to support their recruitment, training and development programs.

Mermet USA, headquartered in Cowpens, S.C., is a manufacturer of screen fabrics with technically advanced designs for solar protection, energy savings and visual aesthetics. The company recently expanded its workforce, and the utilization of Management Solutions' assessment tools signifies its commitment to and investment in its people.

N&H Enterprises, Inc., based in Greenville, S.C., has been in the real estate property development and management business since 1969. The company manages affordable housing communities, multi-family properties and homeowners associations.

“Companies like Mermet and N&H Enterprises recognize the need to invest in employees to maximize their businesses' success and productivity,” commented Mark Lee, Management Solutions President. “We're honored that these companies have chosen to work with us and utilize our effective employee assessment and profiling tools to help them make the best personnel decisions.”
